

Dean NCS Families and Community Members,

The board is responsible for establishing, monitoring, and evaluating the policies and performance of the school. The board is made up of parents/guardians, NCS administrators/executive director, and community members.

All members of the school community are encouraged to consider nominating parents or community members who they think would be effective board members. It is then the responsibility of the nominating committee to review applications of nominees and develop a recommend slate of candidates to be presented to the Board for approval. It is helpful, *but not required*, if nominees have been active in the school community and/or possess specific skills that enhance the board such as finance, human resources or management, fundraising, non-profit or other board experience, legal, and/or media or PR experience. Employees of the school, other than the executive director, may not serve on the board of directors; however all employees may make nominations.

*General position description for all board members:*

- Regularly attend all monthly board meetings and other board functions.
- Serve on a board committee and/or serve as an officer of the board.
- Provide oversight of the Principals and Executive Director.
- Provide leadership in implementing school vision and goals
- Encourage teamwork within the group and facilitate communication among members
- Serve as a positive force within the school

Each person appointed or elected may serve a maximum of three (3) consecutive (2) year terms. Directors may then serve additional one year terms at the pleasure of the Board, with annual reelection. Additional information about the board nomination process, board committees and the board in general can be found in the NCS Board by-laws located on the school's website at [www.neusecharterschool.weebly.com](http://www.neusecharterschool.weebly.com).
