COVID Information for Board Meeting - 01/25/2022

- Percentage of vaccinated (fully, partially, none) students and staff:
 - 11.8% of our students have up-to-date vaccinations turned into NCS.
 - The survey indicates that 25.9% claim they have received 2 shots and the booster. However, the evidence we have of this is 11.1% who have turned in their up to date cards.
- How many students are in the 90-day window as of 1.18: 114 students
- How many students have been quarantined this academic year, last month, this month
 - Academic Year = 1,459
 - December = 87
 - January = 360
- Positive cases this month as of 1.18 *that have been disclosed to NCS:*
 - Student = 66
 - Staff = 6
- What we need from the Board to offer a Test-to-Stay program
 - Approval monthly for a mask required setting
