

Neuse Charter School Athletic Eligibility

Neuse Charter School abides by the NCHSAA and the NCDPI guidelines for athletic eligibility

To be eligible to participate in Neuse Charter School sponsored athletics:

Middle School and High School

1. A student must not be absent from school for more than 8 days in the previous semester or the present semester (a student may request an attendance waiver from the appropriate academy leader for extenuating circumstances).
2. If a student has been homeschooled the previous year the student must present acceptable evidence of appropriate academic performance. The appropriate academy leader will perform the assessment to determine eligibility.
3. Grades and attendance will be evaluated quarterly for the athlete to maintain eligibility. A student not eligible at the beginning of the semester can not become eligible during the semester.
4. Those students in the Exceptional Children's Program must be making "satisfactory progress" as indicated by their academic reports as well as meeting the attendance requirement. A student in the "Exceptional Children's Program" who is in the regular curriculum program must meet the "C" average or higher and the attendance requirement. The assessment will be performed by the Exceptional Children's Director and the appropriate academy leader.

Middle School

1. A student must have a "C" average or higher in their core classes (English, math, science, and social studies) with no failing grade the previous semester as indicated by their PowerSchool generated report card.
2. A student must have been promoted to the next grade the previous school year.

3. If a 5th grader is promoted to the 6th grade with a “C” average or higher in core classes and no failing grade he/she is eligible to participate in the first semester of 6th grade.
